This Week

We did a short week with a focus of the beach. My daughter came in for a summer class she is taking and made bubbles and a sand art creation with the children. The children had a good time with the activities in her bag and did a good job making bubbles!

Next Week

A short two day week! On Monday we will be having a beach day in our class. Your child is allowed to wear flip flops, hats, sunglasses and tank tops. Please no bathing suits! You may want to bring your favorite beach toy too! Please don't go out and buy anything for this day! It will be lots of fun for all of us!

Memories

Today several keepsake items went home with your child. A packet of pictures of different things that have happened in school. My Writing Book is a booklet of the different writing pieces your child has done. It is really neat to see the growth each child has made in writing this year. Then I sent home an autographed copy of the class picture that tells what each child wants to be when they grow up. Some wonderful memories.

Important Dates

A special awards ceremony for just the kindergarteners is being planned for the last day of school. It will be held Tuesday June 5 at 12:15 in the school library. We would love it if you would come!
