## South Side Elementary

### Vision:

East Noble School Corporation students will be inspired to become life-long learners, engaged by a rigorous, relevant, and innovative curriculum, and empowered through collaboration and inclusion to become valuable, contributing members of a global society.

Mission: Inspire, Engage, Empower!

Dear Parents,

This Parent Guidebook is your way to know about how our school operates. Please keep it handy. Many frequently asked questions are answered here.

South Side Elementary School looks almost as new as the day it opened twenty-two years ago. That's a result of the pride felt by students, parents, staff and community. We hope you actively join us at P.T.O. meetings and evening functions. We often need parent volunteers for special events throughout the year, too. We will make sure that you can be as involved in your child's education as you like!

We will be sending a monthly school newsletter via email. Visit the website often for updates and follow us on Facebook and Twitter! Join Class Dojo for easy communication with teachers and SeeSaw to view a digital portfolio of what your child is doing daily in class!

Every parent is invited to participate with other parents in our PTO, as they work to make each year a lively one for their children at school. We also invite parents to visit the school. To begin the process of getting your background check on file, you may visit the main office at any time. Please decide with your child's teacher ahead of time for volunteering and visits to make sure we can best utilize your efforts to support our students' instructional day.

We look forward to another great year!

Sincerely,

Jeff Harper Principal

## Adult Behavior

We prioritize the safety of the children we serve here at South Side. For this reason, all adult visitors inside the school must first visit the school office to check in. Adults are invited to eat lunch with your child any day (per our policy outlined later in the guidebook), but we do prohibit playground visits for safety purposes. As a staff, we strive to be good models of behavior and conduct for children. Likewise, we strongly urge every parent or visitor to set a good example of adult maturity and self-control when visiting the school or a school function. Clothing with lewd or suggestive messages, either in words or pictures is not permitted for adults or students.

## Behavior

Classroom and school-wide procedures have been established. These procedures will be taught and practiced with students to ensure their understanding of conduct expectations. Should a student choose not to follow school rules or procedures, consequences may be given. Violation of rules may result in a warning or penalties such as loss of a special privilege or after school detention.

We hope that students will arrive at school with a positive attitude every day. We understand that children aren't always in their best frame of mind. *However, we expect that children will respond to others with friendliness and courtesy.* Nobody at SSES---adults or children---should be subject to ridicule, disrespect, nasty remarks, gossip, being pushed aside, bullying or treated rudely. This is a place of mutual respect, using good manners.

Behavior problems arising on the way to school, and on the way home, are subject to school penalties. Some students feel like once they get off the school property, anything goes. Remind your children that the respect and consideration expected at school is good behavior anywhere. Furthermore, "being off the school property" is no excuse. We make every effort to assure a safe and pleasant trip for all children, all the way to school and back home.

Children make mistakes—there are lots of little behavior problems each week that aren't big enough to notify parents. But if serious problems arise, either the teacher or principal will call the parents so we can work together to find a lasting solution. Parents must not tolerate misbehavior by their children in school; their misbehavior slows their own growth, as well as the growth of other boys and girls who wish to learn. Always follow up school problems with a serious talk at home. Sometimes you may need to add penalties at home because of school behavior.

Rule violations may result in a warning or a real penalty, such as missing recess, lunch with peers, or school-wide PBIS celebrations. Both parents and children must know that repeated rule violations will cause more serious penalties. In situations where students frequently disrupt the teacher or the class, when others are threatened or hurt, or when rules are routinely disregarded, severe penalties, such as in-school or out-of-school suspension, may be given.

This SSES discipline policy is derived from and consistent with the *East Noble Student Code of Conduct*, and the consequences for severe offenses are outlined therein. Please review a list of infractions at the end of this booklet, describing typical and rare offences that call for specific consequences.

## **Bicycles**

Elementary students are invited to ride bicycles to school. They must park them in the bike rack immediately after arriving.

Students may not ride around the school or in the playground area before school. Loose bikes are occasionally stolen, so bike locks and city bike registration stickers are required for all bikes at South Side.

Parents may obtain registration stickers at the Police Clerk's desk in the City Hall for free. Parents should carefully consider if their children possess the skill and judgment to ride alongside cars on the streets. We also encourage the use of a bike helmet.

## **Book Bags and Purses**

Book bags, backpacks, extra-large purses, and/or any bag/purse that is large enough to carry a textbook are not to be taken to any classes. Book bags are to be put in the student's locker upon arrival to school and kept in the locker throughout the school day. Only designated computer laptop bags will be permitted for students to carry, to and from class.

## **Busses**

Most students will ride busses to school. Students in "walker areas" may ride only with the specific permission of the bus transportation director. Bus riders are expected to ride the bus home every day, unless specific permission is given by the parent in writing, for that day.

Bus riding is a privilege, and the safety of many children depends on the complete concentration of the bus drivers on their work. For that reason, children are expected to faithfully follow the bus rules. Firm consequences will follow violations, particularly when others are harmed or when the driver is distracted. Likewise, your child has every right to a peaceful ride home, unbothered by others.

All students are expected to talk quietly, remain seated in one seat, make room for other students, keep their hands to themselves, be considerate to others, keep the bus clean, follow all safety rules, and be civil at the bus stops.

The principal, his designee, or the transportation director reserve the right to exclude individual students from bus transportation for violations of bus rules. This provision also affirms that bus assignments, bus equipment, seating, pick-up and drop-off points, and schedules, may also be adjusted for individuals or groups, as needed, to assure a safe, efficient and peaceful bus ride for all.

## **Counselor**

Often students carry a load of worries around with them. Some are legitimate, and others aren't. Worries can often affect their work and mood. South Side has a school counselor present daily. They counsel with many individual students. They also can help your family find professional counseling outside of the school. Feel free to call our counselors at 349-2200 if you have concerns about your child's emotional well-being.

## **Delays & Cancellations**

School may be delayed or closed when weather or other emergency conditions exist. The East Noble School Corporation Facebook and Twitter accounts share delay and cancellation information immediately.

Many local radio stations also list school closings and delays. Listen to WOWO (1190AM), WBTU (93FM), WAWK (1140AM), or WBCL (90FM) or other area stations. Also you are invited to check with the East Noble webpage for updates on delays and cancellations at [www.eastnoble.net](http://www.eastnoble.net). Perhaps the most convenient way to receive notification of delays is through School Messenger. This system will automatically call contact numbers you have registered with the school. You may also sign up for text alerts through School Messenger by visiting your Power School Parent Portal account.

## **EAST NOBLE BOOK RENTAL POLICY**

Parents/Guardians are encouraged to pay for their student(s) book rental and associated fees by the first day of school. If these fees are not paid in full by this time, parents/guardians may enter into a contract setting up payment or fill out a state free textbook application. The payment schedule will be as follows:

$\frac{1}{4}$  of amount due by September 15

$\frac{1}{2}$  of amount due by October 15

$\frac{3}{4}$  of amount due by November 30 Full  
amount due by January 30

Parents/guardians who fail to pay the book rental and fees will be notified on March 1 and will be given until April 1 to make payment in full or be processed through a collection procedure.

## **Electronics**

Laser pens are strictly forbidden on school premises or busses, or at bus stops. Student's personal electronic devices should also stay at home. They can be easily broken, and it can be very difficult to monitor appropriate content on a child's personal device since they are not filtered through our servers. Cell phones must stay in backpacks, out of sight or use, both at school and on the bus. Any of these devices at school without permission or being used inappropriately, may be confiscated and returned only to the parent.

## **Emergency Information**

It is imperative that we have complete and accurate information in our student records. If a home phone number, work number, address or other emergency information changes, the school office must be informed of these changes right away. This is for the safety of your child. It is also important for the school office to be alerted to any medical conditions that your child may have.

## **Gum, Candy, Birthday Treats**

Please insist that your child not bring candy, carbonated drinks, or gum to school, even in their lunch bags. Children must understand that possession of candy, gum or other treats is a violation of the school rules, and they may be penalized for violations, and the snacks will be disposed of. Parents

are asked to contact the teacher before bringing in birthday treats, which we ask be prepackaged, not homemade, because of recommendations to us from the Health Department.

### **Health Checkups**

Each year the school offers a vision screening to all kindergartners, third-graders, new students, and students referred by parents or teachers. Hearing screenings are routinely given to children in first and fourth grades.

### **Health Problems and Health Services**

If your child needs special provisions from the school because of any kind of handicapping condition, be sure to contact the principal so we can best serve your child. The school is a place for everybody, and we want every child to benefit by full participation. With some simple changes in procedure, we can assure that every child gets an equal chance, despite handicap that is not covered under the special education law.

### **Immunization Records/Medications**

Your child is required to have an adequate certification of immunizations on file in the school office. Please keep your child's record up-to-date, or allow them to be kept for you through the CHIRP program. Failure to provide evidence of immunization may lead to suspension or expulsion from school as required by Indiana code. If your child needs special medical attention in emergencies, be sure to tell us about that.

### **Information for your Child's Safety**

The school assumes a lot of responsibility when your children are with us all day long. While we all hope for a zero-injury safety record, accidents continue to happen whenever hundreds of children gather daily at schools. For that reason, it is critically important for your child, for you and for us, to have completely up-to-date information about the child's residential address—that is, where does the child sleep at night. We need current phone numbers all the time for parents and emergency contact people. Also, if your child's medical condition changes, we need to know that, too, if it would affect anything about their school program. We need to know which parents the child lives with.

### **Information from the School**

South Side's monthly newsletter to parents will be sent to email addresses that you enter during school registration. Parents are sent a monthly menu for breakfast and lunch at school. Teachers often send weekly or monthly notes about classroom activities. The East Noble School Corporation issues family weekly notes that describe what's going on around the district. South Side would love for you to follow our principal's Twitter page (@ssexprincipal), Facebook page (South Side Trailblazers) and the district pages for updates and pictures of happenings in our building and district. The district also has a website at [www.eastnoble.net](http://www.eastnoble.net), where you can also find all EN school website links.

## **Learning Challenges**

Some students have difficulty learning, so the school has special services for them. Children enter special education programs for several reasons. A learning disability, a mental or emotional disability, or a speech or hearing difficulty are all common reasons for special help.

If you have reason to believe your child is having a hard time with school, please contact the teacher, principal, or guidance counselor. Students who qualify with one of the disabilities listed above can be served at East Noble, most often at SSES.

## **Lice, and What to Do**

As you may know, a child with pink eye, scabies, and other skin conditions require medical treatment to return to school. Head lice at school is not uncommon. Protect your family by looking for the nits (eggs) in hair. The eggs stick to the hair shaft near the scalp, and they are hard to pull off, unlike dandruff. If you are unsure if your children have lice, we would be glad to examine them. Take quick action with special shampoos and combs available through your pharmacy.

Sometimes, students with contagious conditions must be sent home from school immediately. If we call you at work, please come—to treat your own child, and to protect other children.

## **Lunch**

Both breakfast and lunch are available here daily. Please note that during a two hour delay we do not serve breakfast. In the lunchroom, students may choose from a variety of main and side dishes. Students may choose from a modest selection of alternatives. To assure a substantial meal, three items are required on the plate, but not more than five, of the following categories: main dish or alternate, fruit, vegetable, and milk. Dessert doesn't count. Some sandwiches count as one, some as two. Only one main dish is permitted per meal. Cafeteria staff may make firm suggestions and enforce guidelines for wise eating as students go through the food line.

Students are expected to behave with special attention to manners in the school dining room. School menus here and across the country must meet federal guidelines in terms of their nutritional balance and portion sizes. For a variety of good reasons, some families choose to send a sack lunch from home.

Each day, the cafeteria serves over 350 lunches and over 100 breakfasts. Over sixty percent of our children are receiving partial or full taxpayer support for their meals; in fact, the full cost of every meal is shared by the taxpaying public. Poor health is costly. The school urges every child to eat a healthy lunch. At South Side, we feel it's important for every student to understand the lifegiving value of good nutrition. Children have choices of what they wish to have on the plate, as long as they take the minimum amount required by federal regulations.

The school staff urges every child to eat at least half of the portion they serve themselves (older children), or which they are served (younger children).

Flexibility exists for individual health conditions; parents whose children must observe certain dietary guidelines are urged to contact the school, and specific allowances can be made. We urge every family to examine the monthly menus sent home with students or posted on the East Noble website. That way, home prepared meals can be substituted for menu items that don't seem appealing to your children. These expectations are not applied to children who carry their lunches

from home. Because so many children dine here in the lunch hour, the school does not offer students the use of refrigeration or reheating for their packed lunches.

### **Lunch Money**

Lunch prices are announced at registration each August. The best time to pay for lunches is the first day of each week or month. Free and reduced rates are available to families that qualify, at any time during the school year if your financial picture changes. Our free/reduced lunch application is available online. You are welcome to visit the school office to use a school computer to fill out the application at any time as well.

- Students can charge two lunches.
- After two meal charges, a cheese sandwich with milk will be served until the charges are paid.
- If a child has two charges for lunch he/she will not be allowed to eat breakfast at school.
- Students will not be permitted to charge lunches the last two weeks of school so that debts can be collected prior to the end of the school year.

### **Medications**

If a student must bring medication to school, the following requirements must be met:

#### **Prescription medicine:**

1. Must be clearly identified as to the name and type of medication.
2. Must be in the original container.
3. Must have a prescription label with the child's name, drug identity, dosage instructions, and doctor's name.
4. A dated and signed form (available in the office) must accompany the medication with all pertinent instructions.
5. Medication will be given by school personnel, recorded, and will be stored in the school office.

#### **Non-Prescription Medication:**

1. Must be in the original container.
2. A signed note must accompany the medicine, along with specific instructions.

State law prohibits students from taking medications home with them. The medication must be picked up by a parent/guardian.

### **Nurse at School**

Our school nurse visits South Side daily for approximately half of the day, generally. Our nurse is more than happy to discuss health concerns with parents, but should not be considered an option in place of visiting a family doctor if you have any medical questions regarding your child's health.

### **Picking Up Your Children**

Sometimes parents need to pick up children at school during the school day. For security, parents must stop at the office instead of going to the rooms. We ordinarily do not release a child to see or leave with any adult other than a legal parent without your specific permission with each instance. Early departure from school may result in recording the absent period as a tardy, as would a late arrival.

If court decisions prohibit certain adults from seeing your children, please contact us (or remind us) as soon as possible EACH YEAR. Each year the school spends hours attempting to locate children who unwisely chose not to go directly home. *Understand that upon dismissal, it is virtually impossible to monitor the whereabouts and departures of our 340+ individual children, so please make certain your child knows what the plan is for going home each day, and impress upon them how important it is for children to go there, instead of elsewhere on the spur of the moment, to spare everybody a lot of worry.*

### **Parent-Teacher Conferences**

Annual parent-teacher conferences will be held in the fall and spring. Also, teachers will communicate with parents by note, phone or through classroom apps as the need arises. Teachers are always ready to meet personally with parents. Please call to arrange an appointment time if you have a question or concern

### **Parent Requests for Teachers**

It's impossible to meet all parent requests for teachers, so we can grant only those which offer compelling reasons for a teacher choice. Parents may submit teacher requests for the next school year from mid-April to mid-May. Ask for a request form at the office. Watch for reminders in the monthly newsletter. The principal reviews all requests, and his decision is final. All class assignments are tentative until the first day of school.

### **Parking and Traffic**

If you are picking up your child at school, any time during or after school, please park in the parking areas or the curb in front of the school. If you plan to pick up your child at the end of the day on a regular basis, you will need a pick-up number that is to be displayed clearly on your windshield or front side passenger window. New passes are handed out during the first week of school and are available in the office any time. Please avoid the playground for parking during school hours because of recess and bus traffic.

**Please never ask your child to cross the driveway alone.**

### **Personal Best**

There are no better lessons to learn than to give your best effort, and to persist through difficult times.

Parents want to instill those qualities in their children, and we do, too. In fact, if all children gave their best efforts all the time, all children would learn much more. Doing one's personal best is so important for school success. It's one thing to talk about it, and another to successfully teach it.

We want children's best, and so do you. We will ask for their best effort— repeatedly. It may mean that your child must occasionally repeat work...or spend a lot of time on it.

There are at least three parts to giving one's personal best. They are 1) the child's energy, 2) the child's self-discipline, and 3) a motivating environment. To help students do their personal best, here are some goals we've set for ourselves, as teachers:

What we assign will be worth doing. If it's not worth doing, we can't expect their best. We will give the class sufficient time to do outstanding work, because one piece of outstanding work is more worthwhile than five pieces of careless work.

Each child's work will receive a prompt response—not always a grade, but corrections, or some kind of response that will encourage a better performance, or commend their work. Within reason, we will insist on better work, rewritten or corrected, if the child is clearly capable of greater effort. Different children are capable of different things we'll consider that.

We will take grades only after the child has had sufficient practice. We will often permit correction of work for a better grade. Grading is not our primary focus: instead, teaching effectively is the important part of our job.

#### **Here's your role, as the parent:**

You have more time to give your individual child than we do, under normal circumstances. So encourage better performance, if you know your child is capable.

Let us know if we aren't asking enough, or if we are asking too much. A certain amount of worry can be good for some children and bad for others.

If your child's work looks poorly done, insist your child do better.

Some children have more difficulty with writing than others, but you can tell when your child is giving his/her personal best.

Often, children don't know how to deliver their personal best, or they don't know how to organize their papers, or they can't decide what to do next. Help them along. Think out loud, so they can understand how you think.

#### **Pesticides**

On occasion the building and surrounding area must be sprayed with pesticides. Parents are invited to register in the office if they wish to be notified when that will happen.

#### **Parent/Teacher Organization (PTO)**

The PTO has always played an active part in planning special events for our students. All parents are invited to be members.

This year's officers are Holly Pita, Jennifer Edwards, and Emily Campbell. Plan to help the PTO as often as your schedule permits. Typically, the PTO will meet once a month after school. Specific dates and times are shared in our monthly newsletter.

#### **Recess**

Outdoor exercise is important every day. Children learn better, too, with occasional outdoor breaks. We have recess outdoors every day, except when the weather is poor.

Students must dress for outdoor play. We stay inside when the wind chill approaches zero, when the wind or weather is dangerous, or when it's raining hard enough to get wet.

Kids often forget that the weather can change for the worse during the day, so a T- shirt may be OK in the morning—until the sun hides behind a cloud and the wind picks up. Children will be excused from recess only for a period of two days after illness, at the parents' request. For longer periods, call the teacher or principal, because special provisions need to be made.

### **Records**

Parents may see children's record folders. Parents are invited to make an appointment with the principal or the counselors, to discuss test scores and what they indicate for your child. We only ask that you not share sensitive information with your child. Children often misuse information that they do not entirely understand. Often the test summaries look like a confusing page full of numbers.

### **Respecting the School Property**

Students are expected to obey all school rules during school, and on the way to and from school. Likewise, students must respect the school grounds after hours. The school building is closed to students after school, unless they are here to participate in specific programs. Children are invited to use the playground equipment at the back of the school, but not the kindergarten playground, during non-school hours with adult supervision provided by parents or their designee.

The woods around the school belong to the school. It is not a public park. While we do not object to children with their parents being in the woods, we want to maintain the beauty and natural state of the land. Please leave plants and animal life alone and leave the woods as you found it.

No littering, no camping, no fires, no chopping, cutting, marking or digging up trees, or vehicles are allowed. Do not obstruct any water flow, or dump anything into the waterway.

### **Sick Children at Home**

Illness is the best reason to miss school. If your children are sick with a fever or vomiting and/or diarrhea, keep them at home. Please call the school office on the morning of any absence so we know that your child is accounted for, as we expect them at school daily.

### **Social Services**

Kris DeLong is the East Noble School social worker. Mrs. DeLong is an expert in finding the right kind of help for you when problems are closing in. She can meet with you in your home, or discuss concerns on the phone. Her job is to help your family, or your child, to assure success in school. Call her at 347-2502.

### **Student Assistance Plan for Substance Abuse Situations**

From time to time, elementary students need special care to overcome problems that relate to drug and alcohol abuse, or the use of illegal or controlled substances, such as medicines and tobacco.

When the school is aware of substance abuse, our first concern is to restore and maintain a safe, healthy school environment for all the other students. Next, we must consider what's best for

the health of the offending student. To assist students' return to a healthier lifestyle and conquer substance abuse, we are prepared to assist the family in finding professional care.

Sometimes children have violated school rules—by either using, possessing, distributing or selling, or hiding illegal or controlled substances at school, or on the way to and from school. Then the parent and child may be offered a Student Assistance Plan to follow as part of, or instead of, the disciplinary consequences that follow, as required by the East Noble Code of Discipline. This includes situations where the student's behavior is affected at school by substance abuse at home. The school is obligated to report situations to the police, and/or Department of Public Welfare, as required by the law. The first action taken by the elementary school in substance abuse situations is to return the child immediately to the parent's care until further action can be determined, for the safety of the individual student and all others at the school. Further consultations with the parent will follow shortly.

### **Support for School at Home**

Here are the most important ways that you can support a good education for your child at school, and keep that youngster on the right track.

1. Establish consistent bedtimes.
2. Have friendly, daily conversations.
3. Eat meals together as often as possible.
4. Remember and talk about good character and promoting a positive attitude.
5. Limit TV and monitor internet access for them.
6. Read with them.
7. Show them you care about how they dress.
8. Insist on good manners.
9. Look at their schoolwork and discuss it with them.
10. Support them with any homework or eLearning by encouraging completion.
11. Talk about the future. Help them make plans for the years ahead.

### **Testing Procedures**

ILEARN (formerly ISTEP) is the Indiana Statewide Test of Educational Proficiencies. ILEARN is the new name of the state's required achievement test given to all students in grades 3, 4, and 5 in the spring each year. Third grade students will also take another state assessment called IREAD 3. This is a reading assessment that each child in third grade in our state must take. Children in all grades also participate in other kinds of assessments to gauge their progress and guide the teacher's planning for further learning. The testing program can help us identify students who are having difficulty, as well as those who are especially capable. It also tells us how the whole school is doing.

### **Tobacco Policy**

All East Noble school facilities are tobacco free. Board policy prohibits the use of tobacco in school buildings, in school vehicles, on school grounds, or at any school-related events. Tobacco may not be used on school grounds by students or adults at any time.

### **Traffic Patterns**

At South Side, our north driveway entrance is one-way for cars and busses, southbound. It's too narrow for traffic to pass in both directions. We strongly encourage parents who are transporting children to enter by the north entrance, across from Bixler Lake Park. Cars should exit at the middle driveway. Parents are asked not to park or idle in the driveway opening in the morning.

***Parents should drop off their children and exit the driveway promptly.*** Parents may stay longer by using the north parking lot. The playground will be open for parking only during special events, and will be closed at all other times. Never ask your child to cross the driveway anywhere except at the painted crosswalk, unless you personally escort them.

### **Visiting the School**

Parents are welcome to dine with their children in the lunchroom per the policy outlined later in the guidebook. We discourage parents from playing with kids on the playground, because of potential security and liability issues.

- For security reasons, while the school is a public facility, the school and grounds are open to the public for official business only during school hours. Visits to the student areas may occur only by appointment and/or by permission of the principal or his designee.
- Please avoid visiting just before a holiday or during the last week of school.
- Conferences with teachers should be arranged in advance, and at a time when the teacher does not have other duties or students to supervise.
- Preschool age children must not visit unless accompanied by an adult who is responsible for them. Visiting preschoolers must be easily managed by parents while visiting.
- All visitors must report to the South Side office to receive proper I.D. when going beyond the office area.

### **Volunteering**

Parents who plan to chaperone a field trip, or work in classrooms routinely as volunteers, must complete a criminal history background check application every year. This should occur no later than two weeks prior to the event or commencement of volunteer work in the school. It's a very simple form, and the district can take care of this at no charge. All new school employees must submit regularly to a more involved background check.

## Appendix of District-Wide Policies

### Discipline

Classroom and school-wide procedures have been established. These are inclusive of while on school property, traveling to, attending, and going from the academic day or an extracurricular activity is prohibited.

Procedures will be reviewed with the students to ensure their understanding of conduct expectations. Should a student choose not to follow school rules or procedures, consequences will be given. Violation of rules may result in a warning or penalties such as loss of a special privilege (recess, convocation, field trip, etc.) or after school detention. Repeated rule violations or more serious infractions may result in removal from class, out-of-school suspension, restitution, or expulsion from school.

Students who behave inappropriately or choose not to follow school rules will be issued a referral. These are notices which teachers and staff will fill out to keep parents informed of student misbehavior. The completed reports will be filed with the classroom teacher and/or Principal and Dean, and a copy may be sent home. Parents may also be informed of student misbehavior through phone calls, email, or notes sent home. Should an after school detention become necessary, the parent will be notified prior to the detention date to facilitate transportation.

The listed procedures are meant to serve as a general guideline for implementation of disciplinary action and will be used at the discretion of the Principal and Dean of Students. Student age, behavior history, and seriousness of the behavior will also be considered when working with students in becoming good school citizens.

#### Discipline Procedures for Student Misconduct

\*Legal Authorities may also be notified if warranted

#### \*1. ILLEGAL DRUGS OR SUBSTANCES PROHIBITED BY SCHOOL POLICY OR

ANY SUBSTANCE PRESENTED TO BE AN ILLEGAL DRUG: While on school property, possession, use, under the influence and/or sale of illegal narcotics and/or drugs such as but not limited to steroids, marijuana, barbiturates, amphetamines, alcoholic beverages, intoxicants, inhalants or any substance that is represented to be a narcotic/drug or alcoholic beverage. This includes paraphernalia and improper use or impairment of over the counter medications or other substances which may be purchased legally and are used, or believed to, or represented to produce an effect similar to a drug (such as cause impairment).

- Up to 10 days out of school suspension and potential recommendation for expulsion from school.

\*2. ALCOHOL: Use, possession of, or under the influence of, sale, or distribution of, while on school property, traveling to, attending, and going from the academic day or an extracurricular activity is prohibited.

- Up to 10 days out of school suspension and potential recommendation for expulsion from school.

\*3. TOBACCO: There is to be no use or possession of tobacco or tobacco products by students in the building, on school grounds, during the school day or at school functions. For purposes of this policy, “use of tobacco” shall mean all uses of tobacco, including a cigar, cigarette, pipe, snuff, chewing tobacco, or any other matter or substance containing tobacco as well as electronic, “vapor,” or other substitute forms of tobacco or cigarettes.

- 1st Offense 5 days out of school suspension and parent conference.
- Subsequent Offenses up to 10 days out of school suspension and recommendation for expulsion.

\*4. MAJOR DISRUPTION OF THE SCHOOL DAY AND SERIOUS VIOLATIONS OF THE SCHOOL RULES:

Serious violations of school rules will result in the following at the discretion of the school administrator or designee:

- Detention, loss of school privileges, removal from class, and/or up to 10 days out of school suspension and possible recommendation for expulsion.

\*5. FIREARMS: No student shall possess, handle, or transmit any firearm on school property or at school functions.

- 10 days out of school suspension and expulsion from school for one calendar year.

- Removal from class 1-3 days and parent conference.
- Up to 10 days out of school suspension and parent conference.
- Up to 10 days out of school suspension and recommendation for expulsion.

OTHER DISCIPLINARY PROBLEMS will be reviewed on their own merit and action taken could include restitution, community service, detention, removal from class, suspension, or expulsion with teacher and parent conference depending on the offense.

#### Suspensions and Expulsions

- Students who have been removed from class, suspended, or expelled from the regular school setting will not be permitted to attend or participate in any extracurricular activity during the time of punishment. Students may be placed on social probation and suspended from attending extracurricular activities for a period of time.
- After a student has received any 2 suspensions, any subsequent violation may result in expulsion from school.
- A suspended student may not return until his/her parents contact the school office.
- The student will be given the opportunity to make up any missing work while removed from class or serving an out-of-school suspension.

#### Attendance

To ensure that parents are well informed of their child's attendance pattern, the following will occur:  
**East Noble Attendance Policy/Tardies to School and Class**

To support and comply with the Indiana School Attendance Law, East Noble Schools monitor the attendance of each enrolled student. A parent or guardian is required to contact the school prior to 10:00 a.m. each day of absence. This policy also encompasses eLearning.

#### Definitions:

**Verified** A verified absence is one which has been confirmed by the parent or guardian with a telephone call to the school office or a note sent with the student and brought to the office.

**Unverified** A student absence in which notification by telephone call or written note by the parent has not been submitted to document the absence.

**Absence of Concern** Absences for activities such as family errands, missing the bus, vacation, recreation, or instances when a parent contact with the school has not occurred could be designated an absence of concern. In many cases, an absence of concern would violate the Indiana Compulsory School Attendance law.

**Truant**- An absence without the knowledge or consent of the parent or school, or absent with intent to evade the compulsory attendance law.

To ensure that parents are well informed of their child's attendance pattern, the following will occur:

**Third Absence**- A letter will be sent to parent/guardian. A copy of the policy will be included.

**Fourth Absence**- Phone contact will be made with the parent/guardian.

**Fifth Absence**- A letter will be sent to parent/guardian. A copy of the policy will be included. If a child is on a transfer request, an attendance contract will be put in place.

**Seventh Absence**- A letter will be sent to parent/guardian. A copy of the policy will be included. An agreement will be put in place as a way to reinforce the attendance expectations. A letter from the county prosecutor will accompany the attendance agreement. A warning about a 24 hour notice being discussed and will be served on the 10<sup>th</sup> absence.

**Eighth Absence**- Phone contact will be made with the parent/guardian. Another warning about a 24 hour notice will be discussed and will be served on the 10<sup>th</sup> absence.

**Ninth Absence**- Home visit by ENSC Personnel. Parent/guardian may be referred to the legal authorities at this time.

**Tenth Absence**- 24 hour notice may be served after ENSC Personnel has had a chance to visit.

**The total number of absences will be posted on each progress report and report card.**

Absences and tardy arrivals/dismissals will be reported on the grade reports. School officials may communicate with parents intermittently to confirm the whereabouts of absent children. School officials may advance complaints and communicate attendance records to legal authorities when excessive absences accumulate.

Tardy Policy Grades K-5:

Definitions:

Tardy-Arriving in the classroom after the school's announced starting, and prior to 10:00 a.m., or early departure from school, after 1:00 p.m.

Absent for the morning-arriving at or after 10:00 a.m.

Absent for the afternoon-departing the school at or prior to 1:00 p.m.

Verified Tardy- Tardy because of medical reasons, or appointment authenticated by a doctor's note; or a required court appearance for the child authenticated by the clerk; or due to extenuating **circumstances** primarily attributed to person or persons other than the student, and verified by parent or guardian in writing at the time of signing the student in at the office upon arrival.

Unverified Tardy- Tardy for reasons primarily attributed to the child, or for which no reason or documentation is provided by the parent/guardian at the time the student is signed in at school. Please note, students arriving late to school must be accompanied into the building and signed in by a parent/guardian upon arrival.

Lengthy and repeated tardies for any reason may result in the tardies being considered truancy in accordance with Indiana’s Compulsory Attendance Law.

- All children arriving late or departing early will be signed-in/out by their accompanying adult at the office, indicating date, time, and reason. A parent/guardian is expected to accompany the child in/out of the office upon a late arrival or early dismissal.
- Every tardy will be classified as verified or unverified by the building administration.
- Parents/guardians may be contacted after three instances of unverified tardiness to review the record and the policy and to explore remedies.
- Repeated instances of unverified tardies may result in the following consequences:
  - o Warning Issued
  - o Loss of Recess
  - o Detention

Absences/Tardy to School/Assignments:

- Appointments scheduled during the school day require a note from parents/guardians. Parents or guardians must sign the student out at the office and sign him/her in upon their return.
- Parents/guardians shall accompany tardy students to sign in the child, or provide a written explanation.
- The student is responsible for all assignments missed due to absence. The student will have the number of school days to make up work equal to the number of days absent.
- When an absence is anticipated, the parents/guardians should contact the office in advance of the absence. Plans can then be completed so that work can be made up. Parents are strongly urged to avoid vacationing on school days. Vacation absences are classified as unverified.
- When a student is absent from school, they are not allowed to attend extracurricular events on the date of the absence.

**Bullying**

In accordance with state law IC-20-33-8-13.5 – “bullying” is prohibited in the East Noble School Corporation. Bullying is defined as any repeated acts of threatening or intimidating behaviors with the intent to harass, ridicule, humiliate, intimidate, or harm another student. This includes engaging in the act of bullying while using school provided equipment or property. The act of “bullying” means overt, repeated acts or gestures that could be verbal, written communications, digitally sent, or physical acts or any other behavior that fits this definition above.

The schools in the East Noble School Corporation are encouraged to engage students, staff, and parents/guardians in meaningful discussions about the negative aspects of bullying. Parent/guardian involvement may be through the school’s parent organization that is already in place at each school. Parents/guardians or students who suspect that repeated acts of bullying are taking place should

report the matter to the school principal or that school's designee. The report must contain the name of the alleged violator as well as the complainant. Upon receiving the report, the principal/designee will investigate the matter at the building level and school consequences will be assessed, as appropriate, according to the East Noble School Corporation disciplinary code for elementary schools.

Engaging in conduct that disrupts or interferes with school purpose: for example the use of violence, force, noise coercion, threat, intimidation, fear, passive resistance, or other comparable conduct.

False Reporting: A person who knowingly makes a false complaint of a violation of this policy is subject to disciplinary action.

### **Criminal Gangs and Criminal Gang Activity**

It is the policy of East Noble School Corporation to prohibit gang activity and similar destructive or illegal group behavior on school property including school buses and/or at school-sponsored functions.

It is the policy of East Noble School Corporation to prohibit reprisal or retaliation against individuals who report gang activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or others with reliable information about an act of gang activity and similar destructive or illegal group behavior.

East Noble School Corporation defines "criminal gang" and "criminal gang activity" as:

- "Criminal Gang" defined (per IC 35-45-9-1) "criminal gang" means a group with at least three (3) members that specifically
  - (1) either:
    - (A) promotes, sponsors, or assists in; or
    - (B) participates in; or
  - (2) require as a condition of membership or continued membership the commission of a felony or an act that would be a felony if committed by an adult or the offense of battery (IC 35-42-2-1).
- "Gang Activity"- a student who knowingly or intentionally actively participates in a criminal gang, or a student who knowingly or intentionally solicits, recruits, entices, or intimidates another individual to join a criminal gang.

Procedures for investigating suspected gang activity

- Per IC 20-33-9-10.5, a school employee shall report any incidents of suspected criminal gang activity, criminal gang intimidation, or criminal gang recruitment to the principal and the school safety specialist. The principal and the school safety specialist may take appropriate action to maintain a safe and secure school environment, including providing appropriate intervention services. Appropriate consequences and remedial actions are those that are graded according to the severity of the offenses and consider both the developmental ages of the student offenders and students' histories of inappropriate behaviors, per the code of student conduct. Any corporation and school employee who promptly reports an incident of suspected gang activity and who makes this report in compliance with the procedures of this policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

- The principal or designee shall conduct a thorough and complete investigation for each report of suspected gang activity. The investigation shall be initiated by the principal or the principal's designee within one school day of the report of the incident. The principal may appoint additional personnel and request the assistance of law enforcement to assist in the investigation for the administrator's safety. The investigation shall be completed and the written findings submitted to the principal as soon as possible, but not later than five school days from the date of the report of the alleged incident of criminal gang activity.
- The principal shall submit the report to the superintendent of the school corporation within ten (10) school days of the completion of the investigation. The superintendent or his/her designee shall report the results of each investigation to the board of education on a quarterly basis during regularly scheduled board meetings.
- The principal shall provide the parents/guardians of the students who are parties to any investigation with information about the investigation, in accordance with Federal and State law and regulation. The information to be provided to parents/guardians includes the nature of the investigation, whether the corporation found evidence of criminal gang activity, and whether consequences were imposed, or services provided to address the activity. This information is to be provided in an expedited manner.
- The superintendent of the school corporation is authorized to define the range of ways in which school staff and the principal or the principal's designee shall respond once an incident of criminal gang activity is confirmed, according to the parameters described in the corporation's code of student conduct. The school board recognizes that some acts of gang activity may be isolated incidents requiring that the school officials respond appropriately to the individuals committing the acts. Other acts may be so serious that they require a response either at the school corporation level or by local law enforcement officials. Consequences and appropriate remedial actions for a student who engages in gang activity may range from positive behavioral interventions up to and including suspension or expulsion.
- The principal shall proceed in accordance with the code of student conduct, as appropriate, based on the investigation findings. As appropriate to the investigation findings, the principal shall ensure the code of student conduct has been implemented, and provide intervention and/or relevant support services (i.e., refer to counseling, establish training programs to reduce gang activity and enhance school climate, enlist parent/guardian cooperation and involvement or take other appropriate action). The principal shall inform the parents/guardians of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services.

Notification of gang-related policy

- The superintendent of the school corporation shall annually disseminate this policy to all parents/guardians who have children enrolled in a school within the school corporation (Handbooks). The superintendent shall ensure that notice of the corporation's policy appears in the student handbooks and all other publications of the school corporation that set forth the comprehensive rules, procedures and standards for schools within the school corporation.

## Reporting of gang-related incidents

- Each school within the school corporation shall record the number of investigations disposed of internally and the number of cases referred to local law enforcement, disaggregated by race, ethnicity, age, and gender. Each school shall report this information to the school corporation superintendent who shall submit a written report to the Indiana Department of Education by June 2 of each year. The School Safety Specialist will be responsible for these reports.

## Dress Code

East Noble School Corporation wishes to impart worthwhile values of health, safety, decency, and good taste. Proper dress and grooming are the responsibilities of every pupil attending our school. The administrators are charged with the responsibility of establishing and enforcing standards of dress and grooming necessary for orderly operation of the school.

Students are expected to exhibit cleanliness and good taste in personal appearance. Shirts and shoes must be worn at all school functions. Unusual and exotic fads in dress and haircuts will be discouraged (unnatural hair colors, face painting, etc.)

The following is not acceptable in the school setting:

- Tank tops or other garments which expose bare midriff, undergarments, or too much skin; or garments that are so tight as to be otherwise revealing.
- Clothing which could present a safety issue.
- Clothing or display imprinted with profanity, questionable suggestions, or slogans.
- Hats and sunglasses are not to be worn in the building.
- Any display advertising alcohol, tobacco, drugs, drug paraphernalia, violence, or weapons.
- Any display containing lewd, rude, vulgar, offensive, or obscene material as determined by the building principal.

The following also apply:

- An undershirt should be worn underneath baggy shirts that hang low at the neck and under the arms.
- All dresses, shorts, and shirts must be appropriate in length and neckline as determined by the building level administrator.
- When the weather necessitates wearing a coat or jacket, the garment will remain in the student's locker until they are dismissed for the day. They are not to take these items to class.
- Pants, shorts, skirts, etc., must be worn at the student's waist (no sagging).
- For health and safety considerations, appropriate footwear should be worn at all times.
- Any item of clothing or accessory (chains, dangling jewelry, etc.), deemed dangerous or unacceptable by the building level administrator may not be worn to school.

## Grading Practices

Elementary students will receive report cards every twelve weeks. Mid-term progress reports will be sent to every parent at the six week mid-term point. Children in kindergarten through second grade receive marks that indicate how they are coming along with specific skills. In grades 3-5, grades will

be listed for each subject, in an A-B-C-D-F format, along with a continuum of standards mastery indicators and additional comments. The following grade scale is used for the East Noble School District.

A	93 - 100	B	86 - 83	C	76 - 73	D	66 - 63
A -	92 - 90	B-	82 - 80	C-	72 - 70	D-	62 - 60
B+	89 - 87	C+	79 - 77	D+	69 - 67	F	59 - 0

#### Grade Placement

The school has final authority in the appropriate placement of a student in the grades.

While it is often desirable to keep students with same-age peers, other options may be appropriate too. Students who move into an elementary building within East Noble's District typically will be placed in a grade upon recommendation from the previous school.

Children received from non-accredited settings will be placed in a grade after an assessment of their academic progress to date, using appropriate measures determined by the principal. The decision to promote or retain to the next grade is based on student data as well as parent/guardian, teacher, and principal input.

#### SCHOOL VISITORS

*Parent classroom observations may be permitted utilized specific guidelines used to prevent a disruption to the learning process and environment. Confidentiality of all students will be respected during any parent observation. To ensure confidentiality of students, other students will not be discussed during a parent observation and any incidental interaction with other students should be kept to an absolute minimum. Teacher consultation during a parent observation is neither appropriate nor permitted since the teacher's role is to continue to provide instruction to all students in the classroom. Of course, consultation with the teacher is permitted (and encouraged) before or after such an observation at a mutually agreeable time. The following procedures will be utilized in regard to parent observations.*

- A. *Parents/guardians wishing to visit one or more schools are to make a request to the principal 48 hours in advance for each school/classroom to be visited.*
- B. *Parents/guardians may observe each child's classroom once per month for 30 minutes. When more than one family member is in the same class, the visit will count as once for each child.*
- C. *A building principal or designee will attend the observation with the parent/guardian.*
- D. *Parents/guardians, other than those who have been asked by a teacher to be in the classroom, who wish to observe learning activities taking place in their child's classroom are to confer, in advance, with the principal and the teacher and state the purpose of the visitation.*

*It is important that each parent/guardian understands that because classroom observations can be distracting to the students, the following guidelines have been established:*

1. *Visitations will not be allowed during examinations and independent study periods.*
2. *An observation may be no longer than 30 minutes.*

3. *Parents are to be silent observers and are not to create any type of disturbance or disruption to the learning process.*
4. *Copies of instructional materials being used by the students or teacher may not always be immediately available during the visitation.*
5. *Any comments made by individual students are to be maintained in confidence by the visitor to the activity.*
6. *Use of audio or visual equipment to record classroom activities must be approved by the principal and the teacher. No visitor shall be allowed to videotape students in the classroom as it violates the privacy rights of students unrelated to the visitor.*
7. *If the nature and instructional purpose of any activity calls for students to be segregated by gender, only visitors of the appropriate gender may observe those groups.*
8. *If a parent or other visitor wishes to tape record a conversation with a teacher or the principal, s/he should request permission from the teacher or principal. If the teacher or principal wishes to record a conversation with a parent or other visitor, s/he is to inform that person that the conversation is being recorded before the conversation begins.*
9. *Any comments or concerns are to be discussed with the principal and teacher before or after the school day when students are not present.*

## **VOLUNTEERS**

The School Board recognizes that certain programs and activities can be enhanced through the use of volunteers who have particular knowledge or skills that will be helpful to members of the staff responsible for the conduct of those programs and activities.

The Superintendent shall be responsible for recruiting community volunteers, reviewing their capabilities, and making appropriate placements. The Superintendent shall not be obligated to make use of volunteers whose abilities are not compatible with School Corporation needs.

Each volunteer who is in direct contact with students will be required to submit a Limited Criminal History Record Check.

The procedures shall ensure that information and records obtained from criminal history inquiries under this policy are confidential and shall not be released except as necessary to implement this policy or to defend a decision made pursuant to this policy.

The Superintendent is to inform each volunteer that s/he:

- A . shall agree to abide by all Board policies and Corporation guidelines while on duty as a volunteer;
- B . will be covered under the Corporation's liability policy but the Corporation shall not provide any type of health insurance to cover illness or accident incurred while serving as a volunteer, nor is the volunteer eligible for workers' compensation;
- C. . will be asked to sign a form releasing the Corporation of any obligation should the volunteer become ill or receive an injury as a result of his/her volunteer services;

- D. will be required to report any arrests, the filing of criminal charges against him/her, or convictions for a crime while serving as a volunteer;
- E. will be required to report any substantiated report of child abuse or neglect of which s/he is the subject.

The Superintendent also shall ensure that each volunteer is properly informed of the Corporation's appreciation for his/her time and efforts in assisting the operation of the schools.

### **Lunch Visits**

In our ongoing efforts to provide a safe environment for ALL students, the following steps **MUST** be taken if you plan to eat lunch with your child during the school day.

1. Any adult who wishes to eat with their child must obtain a criminal history check. This process is free of charge and can be completed in the office of any building. You will be required to complete a form and provide a driver's license, or other suitable picture ID. **PLEASE ALLOW TWO WEEKS FOR THIS PROCESS TO OCCUR.**
2. You will be asked to contact the school a minimum of 48 hours in advance to make a request to eat lunch with your child.
  1. Please call 260-349-2200
  2. Please email either [bcuellar@eastnoble.net](mailto:bcuellar@eastnoble.net) or [skemerly@eastnoble.net](mailto:skemerly@eastnoble.net)
3. A separate table will be available to eat with your student to help maximize your special time with them.
